

Pet Pal Care Plan

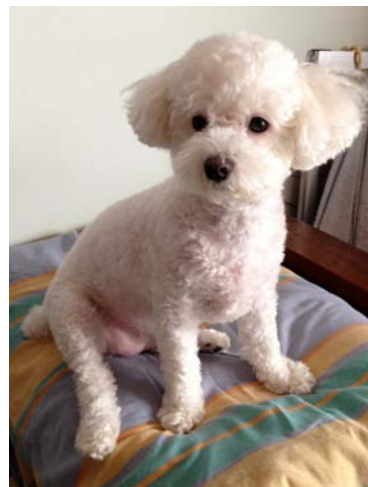

What is Pet Pal Care Plan (PPCP)?

No one pet is the same as another. Hence it is important to understand the specific medical needs of your pet pal. Together with your veterinarian, you will decide the best medical care that your pet pal needs. PPCP is a 12 month health care plan for your pet pal that will cater specifically to its needs.

IS PPCP LIKE INSURANCE?

No. This is unlike insurance. It is a 12 month **health care plan** that is carefully designed and planned specifically for your pet pal. It is an unique health care plan catered **only** for your pet pal to keep it in the pink of health.

Who can apply for PPCP?

All our furry pals are welcomed!

Benefits & Payment

Quotations will include discounts. Any ad-hoc services/medicines/prescribed diets will enjoy a further 10% discount.

Full payment is made at the start of PPCP.

PPCP is specific to your pet pal and it is not transferable to other owners or pets.

In the event of unfortunate loss or death of your pet pal, full refund of remaining PPCP will be made. *(Report of loss/death certificate required).*

1

CONSULTATION AND ASSESSMENT

This is important for our vets to have a clear understanding of the health status of your pet pal. Blood tests and imaging diagnostics may be done.

2

DISCUSSION AND EVALUATION

This is when you and your vet will confirm the medical care and tests that are best suited for your pet pal for the following 12 months. Cost estimations will also be discussed.

3

START OF PPCP

This is when your pet pal will follow an unique and structured health care for the next 12 months. Enjoy peace of mind as the medical needs of your pet pal is taken care of.
